NEBÛ GOLD

Nebû encapsulates sustainable luxury. Every piece is made from pure, investment-grade gold and silver. South African designer, Helen Viljoen draws inspiration from endangered species and environments, pledging 10% of all proceeds to conservation partners that help secure their future. Pictured here is their Gold Rhino Horn Ring. Visit www.nebugold.com and follow @nebugold on Instagram.

NEVER TOO LAKE

Never Too Lake is a Finnish design label inspired by the pure Nordic nature and four magical seasons of the North. Their story is made of lakeside landscapes, sun-kissed meadows, and breathtaking winter wonderland. The jewellery is made from high-quality Finnish Birch plywood and handcrafted in Finland. They value pure nature, ethicality and little joys in life. Visit Instagram @nevertoolake or www.nevertoolake.fi

AFLÉ BIJOUX

Aflé Bijoux presents its AfléOne configurable bracelet. Designed in Germany and handcrafted in Italy, the AfléOne bracelet is inspired by the culture of the Akan people (Côte d'Ivoire/Ghana). The AfléOne beads are made of 18K Gold over Sterling Silver and Enamel. Each bead represents an Adinkra symbol and has a particular meaning. They can be combined to create a personal message to express your individuality. Discover more on www.afebijoux.com or via the Adinkra App and follow on Instagram @afebijoux

SERAGLIO DESIGNS

Based in Canberra, Australia, Seraglio Designs founder, archaeologist Mandy Mottram, creates exquisite beaded gemstone jewellery inspired by the souks and bazaars of the Middle East and mid-20th Century design. Timelessly elegant, clean-lined and contemporary, each piece of Seraglio Designs jewellery is entirely unique. Custom orders welcome.
