TRAVELLER'S TREASURES...

48. Westcoast Canadian designer, **LANABETTY** makes geometric contemporary jewellery, using a combination of traditional goldsmithing and 3d design. By combining thoughtful shapes, angular lines, and semi-precious gemstones, this collection is about evolution, passion, and beautiful design. Looking for something custom, enduring, and uniquely one of a kind? Look no further than lanabetty.com or @LanaBetty on IG.

49. **TRAVELING BLONDE JEWELLERY** is inspired by travels and a spiritual connection with nature. Each individually created piece reflects the beauty of her surroundings, using unique stones which represent somewhere in the world that she has visited. Ocean inspired, from the many paradise palms around the world. Discover more at travelingblondejewellery.com and follow on IG @travelingblondejewellery

50. **UBUNTU** was created in 2015 as a way to sponsor the children of Notre Maison Orphanage in Port Au Prince, Haiti. The brand sponsors 5 children at the orphanage monthly and makes a donation with every purchase. Each piece is handmade with care in Brooklyn, NY. Shop the collection at shop-ubuntu.com and follow on IG @shopubuntu

51. **VENUS GUIDES ACCESSORIES** shares the glamorous side of healing crystals with the world. Handmade jewellery for the modern muse who prioritises mindful living and self-expression. Crystal jewellery can be glamorous like any diamond necklace, timeless like a gold band, and luxury like a tennis bracelet. Follow the journey on @shopvenusguides and browse the curated collections on shopvenusguides.com

52. Stylishly encapsulating South Africa through wearable art, **VERUS FINE JEWELLERY** brings you beautiful, ethical jewellery. Handcrafted with artisanal talent as a homage to Africa. The collection features striking simplicity and elegant yet edgy design. Visit verusfinejewellery.com and follow on IG @verusfinejewellery

53. Designer, gemologist and owner of **JEANNE LAUMIER**, Giulia Rastello, makes bespoke and unique high-end jewellery pieces, with an intense focus on details using a variety of materials such as gold, titanium and platinum alongside diamonds, coloured gemstones and pearls. All the jewellery pieces are made in Italy. To view this piece and more visit jeannelaumier.com and IG @jeanne_laumier

54. Experience joie de vivre as you travel with **SABINA FURST DESIGNS** handcrafted gemstone jewellery. Her timeless, coastal-inspired designs are fresh, light twists on bohemian-chic that are fun and colourful, yet sophisticated and elegant. Visit the St. Lucia collection at SabinaFurstDesigns.com and follow on IG at @sabinafurstdesigns

55. Feel the ocean year-round. Shop **HOPS & BUN CO.**'s coastal jewellery. Handmade to order, inspired by the sea. Visit hopsandbun.com to shop the collection and follow them @hopsandbun on IG.

56. Internationally recognised British jeweller **VICTORIA WALKER** is known for her awe inspiring opening flower lockets. These tiny articulated lockets open into bloom when revealed by the wearer. Each piece individually handmade in silver, gold and diamonds. Exquisite heirloom gifts to mark life's most treasured memories. Visit vwjewellery.co.uk and @vwjewelleryvw on IG.

57. Inspired by an eclectic mix of influences and the beauty in everything around us, **THE PRETTY ECLECTIC** aims to create jewellery that is unique, playful, thoughtful and encapsulates a fun and free-spirited nature. Handcrafted in California with love and light. Visit theprettyeclectic.com and follow IG @theprettyeclectic

58. **SKIPPING LILIES** is an homage to charismatic microflora that inhabit the natural world. Artist Kristin Wornson merges her love of science and art - collecting natural specimens to create small compositions preserved under glass. Her ocean collection features pressed marine algae, collected on Southern California beaches and gives 10% to the conservation organisation, Mission Blue. Visit skippinglilies.com

59. **D'ECO JEWELRY** promotes a sustainable lifestyle through the conception of pieces from objects that have had another life in the past. Instead of thinking outside of the box, they find ways to use the box. The Ana Earrings honour the original silk cocoons and natural shapes, later layered with luxurious gold foil. Follow @thedeco.life on IG and visit thedeco.life to discover their work!

60. **MARIA MOYSEOS** Jewellery Boutique designs and crafts exceptional jewellery made with gemstones and crystals. Elegance is etched in every single piece due to the distinctive designs. Their primary aspiration is to make every woman feel unique and elevate her style. Check the collection at mariamoyseos.com and follow on IG @mariamoyseos

61. **XIMENA FERRE** is a contemporary jewellery studio, based in New Zealand, that makes hand crafted one-off and limited edition pieces with an intrinsic force that cannot be duplicated. Their work is bold and unique, the result of a dialogue between materials, techniques, context and ideas. Follow them on IG @ximena.ferre and browse online at ximenaferre.com

62. **THESIS OF ALEXANDRIA** is an independent minimal and contemporary demi-fine women's jewellery brand. The timeless pieces are designed and handcrafted in San Francisco. Explore their refined and versatile collection at thesisofalexandria.com and find them on IG @thesisofalexandria

63. **DEVALUCHI JOAILLERIE** is a brand of fine jewellery handcrafted by local artisans in the Philippines. The brand is all about experimentation and setting itself apart from the ordinary. Visit their store at 2/F Eastwing Estancia Capitol Commons Philippines or browse their work online at devaluchijoaillerie.com or follow @devaluchijoaillerie on IG.

64. New designer brand **SEV/K** creates one-of-a-kind pieces using the finest materials and gemstones. Make a statement with stunning, intricate and unique designs. Visit sevkjewelry.com using code SEVK to get 20% off and follow on IG @sevkjewelry
